

the bella reception...

The ultimate reception... round tables seating 8 - 10 people, a 5 course meal, candles on every table, black or white linen & chair covers, flowers, dancing and a beautiful bridal head table... simply stunning!

Commence your reception with drinks and canapés on the candle lit Terrace balcony, enjoying views over the pool, gardens and surrounding hinterland.

Then move to the Terrace Room for the main event, where you will delight in the elegance and tradition of the room, beautifully decorated with candelabras like rings of fire and flowers on every table and framing the bridal head table.

Following a sensational meal, tea & coffee and a platter of Australian farmhouse cheeses will be served to every table.

Finish by dancing the night away, before departing to enjoy the pool suite and champagne, and breakfast for two in our restaurant the following morning.
