

the classic reception...

The traditional white reception... round tables seating 8-10 people, canapés, a 4 course meal, candles on every table, white table linen, white chair covers, a beautiful bridal head table and dancing... simply classic.

Commence your reception with drinks and canapés on the candle lit Terrace balcony, enjoying views over the pool, gardens and surrounding hinterland.

Then move to the Terrace Room for the main event, where you will delight in the elegance and tradition of the room, beautifully decorated with candelabras like rings of fire.

Finish by dancing the night away, before departing to enjoy the honeymoon room and champagne, and breakfast for two in our restaurant the following morning.
